Annual fare adjustment goes into effect April 1**

The new two per cent fuel rebate is in addition to a current fuel rebate of five per cent on all minor routes and two per cent on the Horseshoe Bay – Langdale route.

BC Ferries would also like reminding customers that annual passenger and vehicle fares are to increase effective April 1, 2010. The attached table details the fare adjustments by route.

It should be noted that there will be no increase to BC Ferries' northern routes as they were adjusted in October 2009.
