

REQUEST FOR THETIS ISLAND COMMUNITY FEES 2010

Once again we are asking for your contribution to support essential services provided on Thetis Island. Your dues are as follows:

Thetis Island Residents' and Ratepayers' Association (TIRRA): Your membership fee covers administration costs incurred by volunteers, who look after ongoing public issues such as highways, ferries, community planning, operation of St. Margaret's Cemetery, and disaster survival plans, much of which would normally be included in property taxes. The garbage & recycling portion is the largest item as this covers direct removal from the island of all household waste and recyclables, and also a periodic pick-up of larger items.

** Please note: at the October 15, 2009 TIRRA General Meeting, membership voted to increase the annual Garbage Fee to \$104 per household (\$2 per week) in order to ensure operating costs of the new garbage & recycling system will be covered.*

Thetis Island Community Association (TICA): Your membership covers maintenance of Forbes Community Hall, tennis court, outside play area, community library and internet privileges, assisting social, recreational & educational programs, and a copy of the Quarterly Newsletter. In addition, we provide Emergency Social Services (ESS) in the event of a disaster. Administration of these services is provided by volunteers.

2010 Fee Schedule
