Back into the Black Update

TICA’s Back into the Black program is an effective and predictable way to repay the debt incurred by the Forbes Hall Expansion project. In the first six months of 2022, the campaign has already raised \$90,957 in donations and pledges.

Pledging by month is an affordable and satisfying way of contributing. Others may prefer one-time payments or annual pledges; all are gratefully accepted and make a difference. A high rate of participation shows a broad commitment by the community for TICA to be debt free. Your pledge provides certainty and predictability.

Back into the Black is a practical approach and it’s our best option. If you haven’t yet pledged or donated, we ask that you consider your participation.

How to Donate:

- e-transfer to deposit@forbeshall.ca memo: donation
- cheque to TICA – PO Box 140, Thetis Island, BC V0R 2Y0
- contact any Board Member

How to Pledge:

Our sincerest thanks to those who have pledged and donated towards reducing the debt load, and to all those whose generosity culminated in the re-creation of Forbes Hall Community Centre.

Forbes Hall is supported solely through annual membership fees, fundraising, donations, and grants.
