

Backgrounder for Motion to increase TICA membership fees

The membership fees were last raised at the 2011 AGM effective January 2012. Family fees increased from \$55 to \$75 and individual fees from \$28 to \$38 – an increase of \$20 and \$10 respectively. Operational costs have continued to rise since the last fee increase. These costs include janitorial, ground maintenance, hydro, internet, telephone and other expenses. The board wishes to increase the membership fees by \$25 for families to \$100 and by \$15 for individuals to \$53. These increases will be effective January 2022.

Motion: increase TICA membership fees from \$75 to \$100 for families and \$38 to \$53 for singles effective January 2022.
