The original art currently on display at the hall is from the following island arts:

Grete Wilkinson, Suzanne Sariaglu, Kjell Valestrand, Anne-Marie Koppen, Carly Koppen, and Carol Sowerby,

In 2022, we had art from Susan Unger, Suzanne Sariaglu, Kjell Valestrand, Peter Luckham, Carol Sowerby, and Mary Forbes

A cork board was put up in the library so the school could provide art from the students.

The art committee has collected and displayed pieces that islanders have donated or are available to use as long term loans.

If you would like to contribute art that you have created or art that is part of your personal collection, please contact any of the art committee members.

The members are Mary Forbes, Carol Sowerby, Susan Unger and Ellen Rush
