and

**SUMMER MARKET AT THETIS ISLAND MARINA**

**(# 17 on the map)**

**10 AM to 2 PM at least during July & August**

**Watch Bulletin Boards for additional information!**

**WELCOME TO THETIS ISLAND**

Thetis is very beautiful, quiet and rural, entirely privately owned, with no town, gas stations, or shopping malls. All community services are maintained by volunteers from a permanent population of about 350, and we will appreciate it if those services are not unnecessarily strained.

Please read the messages below about emergency services and garbage and recycling.

Visitors are encouraged to enjoy the peace, to take advantage of the activities and amenities available through our various local businesses, and to share our pleasure in the natural beauty around them.

**DIAL 9-1-1 IN AN EMERGENCY**

Thetis Island is part of the North Island 9-1-1 system and our Fire Department responds to fire and medical emergencies. If you have an emergency, dial 9-1-1, and specify the type of emergency - police, fire or ambulance. Give the Lot number (as in the Thetis Island Phone Book or posted at the driveway, not the legal description number), and tell the dispatcher that you are on Thetis Island.

As elsewhere, when driving please pull over to allow emergency vehicles to pass, and when walking, keep to the left side of the road, facing any on-coming cars. And of course, obey all traffic control persons at emergency scenes (an imminent ferry is not an excuse!)

Fire permits are required from Apr. 1 to Oct. 31 unless changed by order of the Fire Chief, and this includes campfires. Level of forest fire risk and restriction status is displayed on the "Fire Board" at the Thetis ferry terminal, and on-line at [www.thetislandfire.ca](http://www.thetislandfire.ca). Please check this rating regularly during your stay on the island, but also be aware that drought and fire risk is ALWAYS high - please be careful. During High & Extreme Fire Danger, campfires will be prohibited except CSA approved propane campfire appliances that are supervised. Yard waste fires are also regulated by the Ministry of Environment: in addition to a Fire Permit you must check the Venting Index for an allowable day to vent smoke into our air shed.

To apply for a fire permit, or for more information regarding Thetis Island fire regulations and contact numbers, visit online at [www.thetislandfire.ca](http://www.thetislandfire.ca). If you have no internet, you can call the Duty Officer at 250-252-0228.

**GARBAGE DISPOSAL ON THETIS ISLAND**

Thetis has very few "municipal services", which means we have to deal with our garbage and recycling ourselves, and the extra volume in the summer definitely adds to the cost and workload. Our garbage collection works on a pay per bag system during site open hours posted on the gate (map #9).

Recycling costs are covered by a parcel property tax levy. If you are a short-term visitor you may find it more convenient to take your garbage with you. Longer term visitors are encouraged to "reduce, reuse and recycle" as much as possible to keep garbage volumes down. Thanks for doing your part.
