Paul,
Further to our conversation this afternoon, here is the description of properties that TIRRA owns:

PID 024-535-311 Cemetery

PID 025-294-288 Walking Trail

PID 025-294-296 Walking Trail

TIRRA currently leases #501 Pilkey Point Rd. from the Dept of Highways for the garbage/recycle transfer yard.

The following properties are proposing to lease or license an edge of their land to TIRRA to form an extension to the current walking trail:

Strata VIS 5168 Common property

#90 Pilkey Point Rd.

#415 Southern Edge Rd.

294 Mission Rd.

The 2016 TIRRA annual revenue is proposed to be less than \$45,000

Please contact me if you need further clarification.

With thanks,

Ernie Hunter
