Communications Report

eSPOKES - continues to be delivered daily to 682 subscribers. eSPOKES could not be coordinated, edited and distributed without the efforts of dedicated volunteers and community contributors. Many thanks to Sharon Cunningham for regularly providing Dangerous Cargo updates; to Jeannine Caldbeck and the Fire Department for sharing notices regarding hazards such as dangerous trees, road conditions, fire hazards, severe weather and power outages; and to Keith Rush for his monthly rainfall reports. Posting submitted to eSPOKES should adhere to the posting guidelines, including the 9:00 PM cut-off for next-day postings. Emergency notices may still be posted immediately when required. Thank you to the Thetis Island community for the continued support and subscription to eSPOKES and the service it provides.

Phone Book - Work has begun on the 2026 Phone Book. Communications regarding the update process, including timelines and submission details, will be shared over the next few months. Thank you for your patience and cooperation as we prepare the upcoming edition.

Visitors Guide – Due to the workload challenges faced by our volunteer group, the Visitors Guide has still not been updated since 2024. We would greatly appreciate anyone willing to volunteer to help update the guide, assistance and support will be provided throughout the process.

Welcome Package – Our goal is that every new resident to Thetis receives a Welcome Package. It includes the latest Thetis Island Phonebook, issues of The Quarterly, Visitors Guide, gift certificates from Thetis Island businesses and information that's helpful to those who are new residents on an island, this island, Thetis Island.

Thetisland.net – Maintenance of the existing website continues. We are working on redeveloping the thetisisland.net website. Transitioning the website has taken more time than we had anticipated.

Membership – We currently have members from 71 lots. Forms can now be completed electronically, saved and emailed to tirra@thetisisland.net or printed and mailed to TIRRA at Box 141.
